**SPOTLIGHT:** Students learn the content they need to be college-ready. They plan and prioritize their learning based on their individual goals. Students move at their own pace, and receive support from their teachers, mentor and peers. All students have a mentor who serves as their coach and advocate, supporting them through their journey at SPA. On **Mondays**, all students have a one-on-one meeting with their mentor to set goals, review progress, discuss issues, etc. On **Tuesday & Thursday**, students will have options to work with content area teachers in directed curriculum sessions.

**WORKSHOP:** On **Mondays**, all students will have an additional SPA mentor supporting them as they develop strong character, life and self-directed learning skills and the habits of success that will serve them well in their college/career.

**INTERLUDE:** morning break

**ACADEMIC COURSES:** In alternating blocks, students develop deeper learning skills, such as critical thinking, problem-solving and communication skills, as they work collaboratively on rich project-based experiences.

**INTERMISSION:** lunch, afternoon break

**ARTS COURSES:** For over two and a half hours on Tuesday – Friday, students explore their passions in the performing arts (dance, instrumental music, production & design, theatre, vocal music) providing a rich diversity of curricula to explore!
